

**Board Report April 2023:**

The Fridge and Cupboard continues to grow, we now have over 250 registered Members who visit on a regular basis, were currently collect from 26 Supermarkets weekly, and have a good re-pour with each store. Our Donations are still a little hit and miss due to the cost of living but we seem to still be maintaining enough stock to meet peoples needs, and have to assess this on each fridge session, to the amount we can give out depending on how much of a donation we have received.

We Have just launched a follow up survey, to gather some new data. Based on the last survey, you said, so we did?

We did a Trail for SEN Sessions on Mondays 11:00-12:00, for 8 weeks, however it wasn't very busy so we stop them after 4 weeks due to 2 of the 4 sessions being a no show or no bookings.

We have also set up a Trial for Saturday Opening for a 4 week period, we will be opening the 3<sup>rd</sup> Saturday of each month, Sat 22<sup>nd</sup> April, Sat 20<sup>th</sup> May, Sat 17<sup>th</sup> June & Sat 22<sup>nd</sup> July. When we open on a sat the Fridge will be closed on the Friday. We have a staff Member and 3 Volunteers covering these sessions, We wont be running a session During August due to summer Holidays etc, but were review the data to see if we continue from September – onwards.
