

Hale Youth Report
Months 21-23

Date of Report: 11th August 2023

Author: Tracy Yates

Highlights - May - July 2023

- Engaged with over 45 individual young people making over 411 visits - this is a great achievement considering closures and half term
- Highest ever figures achieved at our Wednesday session with 24 attending at our peak
- 23 new individuals registered with us
- Participated in Hale Carnival (and won the shield again - we will gloss over that there wasn't anyone else in our category!)
- Tracy and Jo G qualified as Level 3 Youth Workers
- Developing excellent relationships with young people, with increased engagement with parents/carers
- Launched the Mighty Oak Alternative Learning Experience - with 21 referrals made for just 10 places available - demonstrating the need for this service
- Launched our own Holiday Club, funded through HAF
- Thanks to the Deputy Mayor's generous funding we were able to take the Senior Girlz group on a wet, windy but very fun day at Hayling Island (and a huge thanks to Frensham Heights for the mini bus!)
- Achieved '5' for our Food Hygiene - with massive thanks to Katie for her amazing support and practical help to get us there!

Development of Youth Provision

What we have been doing from May - July 2023:

- Getting involved in community events including Hale Carnival
- Launching our own 'Holiday Club' for the summer holidays (started the last week in July - figures to be reported in Septembers summary)
- Arts, crafts
- Mental Health information and support
- Discussing the implications of substance misuse
- Discussing anti social behaviour and how it reflects on individuals, their families, the wider community and on the youth tea

We continue to develop our relationship with Farnham Heath End school which has been further strengthened through the Mighty Oak project. There may also be some additional opportunities in the Autumn term to do some 1:1 youth work at the school. This will be explored after October half term so we can focus on current provision and delivering the MOALE project (which starts on September 15th).

Tracy and Jo G are now Level 3 qualified youth workers (Tracy is particularly happy to be formally qualified after 16 years of working with young people!). We are particularly grateful to the Board and Centre Management for enabling us to be reimbursed for our study hours - it was a lot of hard work for both youth workers but has already helped to enhance our practice.

'Seed to Plate' funding concludes this year, however we plan to continue with the project and are looking for volunteers to help manage the allotment and green spaces.

The challenges we have faced, how we have overcome them and what have we learned from the process?

- Working with young people will always mean we face challenges. However, we choose to use all our experiences as opportunities to reflect and learn how we can navigate issues whilst showing respect and understanding that enables a young person to feel safe enough to open up about what is going on beneath the surface. We liaise with the police regarding incidents of anti-social behaviour on the estate and we discuss the impacts of this with young people.

- Attendance has been low at Boys Night In, although we had a surge on Tracy's birthday when we had a barbecue. We will continue to use this time for detached work, if no one has arrived within half an hour of our 6pm start time
- We had to enforce a 2 week closure due to mass misbehaviour. This enabled us to review the situation with young people at the other sessions which remained open and resulted in young people creating what they have called 'The Laws of Youthy' and will now be active participants in deciding the appropriate consequences for any breach of these 'laws'. Since the closure we have only had one further incident, involving 3 boys who all received a 2 week ban and apologised to both the Community Centre and our youth team. We have a high proportion of young people now who are neuro-diverse, particularly ADHD and so these challenges will be a constant - it is how we respond and manage situations moving forward
- 'Bob's at the Shed' has now been handed over to Hale Community Centre to run, although Jo G will continue to support the project
