

Fridge & Cupboard

Hale Community & Youth Centre

Opening Times:

Wednesday: 12-1.30pm
(café also open)

Friday: 1-2.30pm

What is the Community Fridge?

- We collect surplus food from local supermarkets and make it available to the local community
- This is food the supermarkets would otherwise dispose of - it may be food with damaged packaging, products the store are no longer selling or food which is no longer at it's best quality.
- The quality of food we have does therefore vary – please check the food before you eat it!
- The amount and types of food we have varies - it can be fruit and veg, bread, pastries, tins and packets or frozen food.

Why visit the Community Fridge?

- Help reduce food waste
- Help yourself by receiving some free food
 - Try new things
- Be part of the local community

When the community centre is open during the week we often have fruit, veg and bread available in our foyer area - please help yourself to what you can use. We also have a cupboard in our garden which sometimes has fruit and veg available in it.

The amount of food we have available varies depending on donations from supermarkets. We want to share the food amongst everyone who visits so may limit what you can take. You are welcome to visit the fridge as often as you like during the week but to ensure we can share our frozen food with all visitors we ask that you only visit the freezer section of our community fridge once each week.

Or just pop in to see us: Hale Community Centre, 130 Upper Hale Road, Farnham, GU9 0JH

The UK throws away around
9.5M tonnes
of food waste every year...

Fridge Membership

Although we offer the food to the community for free there are costs involved in running the Community Fridge, and without funding we would not be able to operate. The grants that support our Community Fridge require data about who accesses it and what impact it has. Our fridge membership will help us to gather this data. Becoming a member is completely free and simply requires you, on your first visit, to complete a very short form providing a few personal details which we will keep securely.

Thank you

Thank you to all of the local food outlets that partner with us in reducing food waste by donating food to us. A big thank you to all of the volunteers that work hard to help with our Community Fridge and to local grants which support our Community Fridge.
